Our Mission

Everything we do is driven by our mission to provide solutions to protect the future of our customers.

Why Choose J Care Health cover?

Our Experience

We are a wholly owned subsidiary of Jubilee Holdings Ltd. We're the No.1 Medical Insurer in East Africa and we have provided Medical Insurance for over 85 years to individuals, SME's and the region's blue-chip companies. Today we have over 1M + customer relationships countrywide. Looking after them is a workforce of 250 people, a network of over 4,000 hospitals, physicians, clinics, pharmacies and health and wellness specialists.

Why we're different

- access to our unparalleled network of trusted hospitals, physicians and other healthcare professionals.
- the convenience and confidence of Jubilee Health's customer care.
- the reassurance of our experience in delivering healthcare.
- the access to our unique wellness propositions.

Children are the most important little people in our lives, and they deserve all the love and care to help them grow into healthy adults. At Jubilee Health, we recognize this and that's why we have come up with a stand-alone cover for children aged 0 – 17 years with great benefits that will cater to their health needs.

Some of the benefits include:

- Annual child check ups
- Inpatient cover
- Outpatient cover
- Immunization
- Dental cover
- Optical cover
- 24/7 Telemedicine Consultations
- Countrywide provider network

**some of these benefits are optional.*
